

RE(YOUS) C.I.C.

Connecting Businesses and Communities for a Sustainable future

BUSINESS

COMMUNITY

We are a community interest company committed to collaboration between businesses and communities through resource sharing, promoting sustainable practices, and reducing waste. Our initiatives, such as the **RE(SOURCE) Hub** and **EX(CHANGE) Events**, help to build stronger, more connected communities.

Our Mission

Empower Communities and Businesses

Engage in Sustainable Practices

Reduce Waste

Foster Collaboration

The Challenge

Millions of resources go unused every year, contributing to waste and missed opportunities for businesses and communities. Many businesses face resource challenges, and communities often struggle with accessing essential tools and services.

THE
EX(CHANGE)

EX(CHANGE) events are community-driven initiatives where you can bring up to 10 preloved items and swap them for something new-to-you.

By earning TOKENS, you can exchange items at the event, helping reduce waste and promote sustainability. These events are about more than just swapping things—they're about fostering connections, supporting the community, and giving new life to items that might otherwise be discarded.

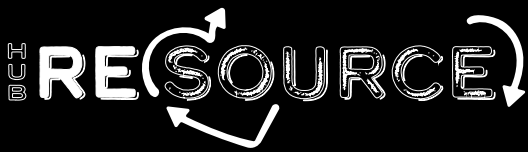

Love pre-loved?

Got items you no longer need?

Join our EX(CHANGE) events, where you can swap your preloved items for something new-to-you—all while helping reduce waste and building a stronger community.

RECONNECTING FOR THE FUTURE

The Hub connects businesses and communities through resource sharing. Businesses earn TOKENS by offering resources (skills, time, equipment), which can be exchanged for other resources or donated to community projects.

BUSINESS

COMMUNITY

For Business

Resource Sharing: Access a wide range of tangible and non-tangible resources from other network members.

Collaborative Opportunities: Participate in joint sustainability initiatives and community projects.

Increased Visibility: Enhance your brand's reputation by being associated with sustainability and community support.

Enhanced Community Engagement: Promote your sustainable practices to a broader audience.

Need skills, space, time, or tools? The RE(SOURCE) Hub is designed to help businesses like yours. Share resources, earn TOKENS, and access what you need to grow your business while supporting your community.

Be part of the change. Join us in building a sustainable future.

For Community

Community Engagement: Promote sustainable practices directly to the community.

Support Local Projects: Contribute to local social and environmental initiatives through the TOKEN system.

Donating to Community: RE(SOURCE) Members can donate surplus TOKENS to support community members in accessing EX(CHANGE) events.
